

Multi-site refurbishment: Retail Outlets & Trade Centres

Client: Rexel Senate

Location: UK Wide

Brief: A nationwide programme of branch refurbishment and fit-out to a range of existing and new industrial/retail and trade locations. Work includes the creation and refurbishment of trade counters, point of sale and slat-wall display, mezzanine flooring, mechanical and electrical work, suspended ceilings, gondola shelving, pallet racking and small parts shelving, office partitioning and furniture.

Leading electrical distributor Rexel Senate need to ensure that their construction partners are able to react to the demands of a challenging branch expansion and development programme. Whether producing drawings and quotes at short notice or having the right level of manpower at the right time to meet the work schedule, the capacity to adapt to changing requirements and to react quickly is paramount.

Domino Commercial Interiors were pleased to be selected to work with Rexel Senate and have completed work at over 100 branches across the UK to date.

What our client said. As Peter Warrington, Rexel Senate's Property Manager explains, "We have very tight time-scales to operate to as every day's trading counts; Domino have consistently delivered a high quality of workmanship to us and just as importantly have consistently met promised completion times."

About us

At Domino, we are passionate about creating inspirational new environments and turning drab interiors into imaginative spaces where people can come alive. Whether working on the interiors of warehouses, schools and hospitals or on cutting-edge office, retail or leisure projects we will take the strain out of the fit-out process and provide a comprehensive project management system for you to ensure your needs are met on budget and on time, every time.

Our range of fit-out work includes:

- Partitioning
- Suspended Ceilings
- Mezzanine Floors
- Floor Coverings
- Racking and Shelving
- Mechanical and Electrical
- Kitchen and Bathroom Installation
- Joinery / Plastering / Decorating
- Space planning service
- Office and Café Furniture

Our Accreditations:

- Main contractor
- CHAS accredited
- Construction Skills Certification Scheme
- Member of the Association of Interior Specialists
- Constructionline Registered
- Investors in People

Retail Outlets and Trade Centres

It may be an old cliché it may be but for our retail customers, time really is money! At Domino we have over 400 successfully completed retail and trade outlet refurbishments under our belt and understand the importance of being on time - every time.

Many of our retail outlet and trade centre projects are not merely trade counters, they are also offices, shop fronts, point of sale facilities, secure delivery areas, mezzanine floors, racking and shelving, storage facilities and most important of all, your customers' view of your company.

From initial layout drawings and finished design to opening for business on the planned

day, managing the full project cycle is all part of the service from us. Our own specialist teams handle all aspects of the project from site survey to Building Regulation approval, counter manufacture to shop front signage, partitioning and office furniture to site management and hand-over: we will make sure it happens as it should and when it should.

We also understand the pressures you may be under to continue trading during the fit-out process and adopt Considerate Construction principles to ensure minimum disruption to your business during the process - talk to us about how we can help give your business a new lease of life.
